Challenge (Academics).....	16-37
Happenings	

Change

Students and faculty—all have experienced change in the past school year. No matter who you are or what you have done, you have experienced the change in everyday life in one way or another.

Challenge

Experienced in these numerous ways is the challenge of academics, of new and different subjects. For the teachers, it's the challenge of new students each year, and for students, the challenge of new teachers.

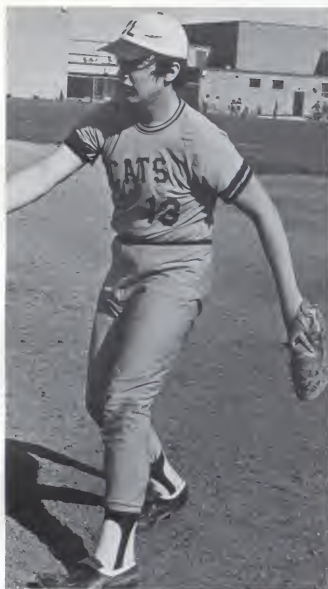

Happenings

Happenings made various changes on various people, and in different ways. Things such as dances, tournaments, not forgetting the different banquets held each year traditionally. For a lot of the students participating in these banquets, it will be their first.

Anxiety

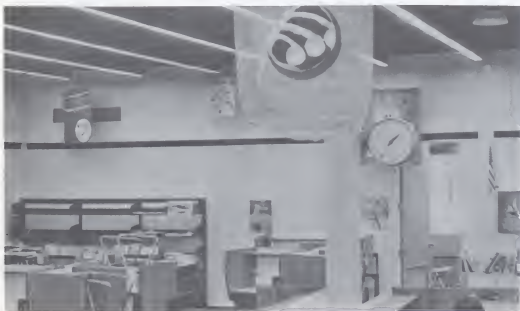

Anxiety of sports, the change occurs in the feelings of each individual, each year the feelings become stronger and stronger. As our teams strive for goals once thought beyond their reach, now accomplished, they have to set their sight on new and higher goals.

Necessity

Where would we be without the necessity of students? Needed each year to start the year and to end the year. We reflect on memories of old friends, once "new" friends. We don't realize how much those people mean to us, until we really need them or until something or someone takes them away.

Gatherings

Gatherings of each year change. The place of gatherings, organizations, changes in clubs, and changes in the people heading those clubs. Coming to know our closet friends each year helps us to learn more and more interesting things from experiences of those friends.

Economics

Economics are constantly changing. Everyday we hear of rising food cost: taxes going up each year. And what about the Watergate scandal that has changed each of us in a unique and individual way? Also, remember the events that took place in Viet Nam?

Change

What is being portrayed in the 1975 yearbook, is that Change is everywhere. Just look for it, and You'll find it! It's sitting right in front of you, reach out and touch it. It's yours to Live, Love, Learn and most of all Change by.

Fear No More

William Shakespeare

Fear no more the heat o' the sun,
Nor the furious winter's rages;
Thou thy worldly task hast done,
Home art gone, and taken thy wages.
Golden lads and girls all must,
As chimney sweepers, come to dust.

Fear no more the frown o' the great;
Thou art past the tyrant's stroke;
Care no more to clothe and eat;
To thee the reed is as the oak.
The scepter, learning, physic, must
All follow this, and come to dust.

Fear no more the lightning flash,
Nor th all-dreaded thunderstone;
Fear not slander, censure rash;
Thou hast finished joy and moan.
All lovers young, all lovers must
Consign to thee, and come to dust.

(from the play Cymbeline)

130 Receive Diplomas in June Ceremony

A perfect day in June was the description for graduation day for the 130 seniors.

Clad in robes of pink for the girls and maroon for the boys, the class entered to the strains of "Pomp and Circumstance" played by the high school band.

Invocation was by Rev. Julian Jercha, pastor of Holy Name with the Rev. Eugene Hill of the Community Bible Church giving the baccalaureate address.

Class President Rich Brewer introduced the students speakers: Kim Hickson and Suzanne Bush, co-salutatorians, and Mike Stecyk, valedictorian.

There were few dry eyes when the class rose to sing the school song the last time.

Scholarship winners included Joelle Baker, Bob Jonason and Mike Stecyk, Hoosier scholars: Mary Joan Torrence, \$100.00 Intermediate Women's Club 100.00 scholarship for contributions to the school.

Five Pep Sessions Spur on Student Spirit

Cheerleaders, directed by Mrs. Sue Roller, were responsible for the five pep sessions held in the gym this year.

The first one, held at the start of the basketball season, introduced the team and cheerleaders to the student body.

A skit on the 1950's set the theme for the Porter County Conference tourney at one session. The Cheerblock dressed in 50's garb for the game held at Valparaiso.

Two pep sessions developed school spirit for the sectional tournament held at Kankakee Valley.

The first one featured game preparation. Taking part in a skit depicting family participation were: Sue Williams, a little girl; Terri Spurr, grandmother; Denise Doty, Momsy; Bill McKee, Father Groucho; and Mark Avey, little brother.

Coach Ron Roller played the role of the coach of the Kouts team and was rewarded for his efforts by a pie in the face, which surprised him greatly. Also covered with whipped cream was Coach Fred Perry.

Having won the first game, the team was rewarded with a second pep session on Friday. The session featured "new" cheerleaders, the following teachers, Miss Mary Maher, Miss Pam Hill, Miss Debbie Spaeth, Miss Darlene Minshall and Mrs. Darlene Geck. Two surprise cheerleaders were the well-endowed Bubbles Roller and Peaches Perry. During their cheerleading, however, Bubbles lost "her" wig. Apparently the sessions were successful because seven fan buses were needed.

Varsity Volleyball

The Varsity Volleyball team concluded its season with a disappointing loss to Griffith in the sectional. Although the season didn't end with a victory for the Wildcats, the 7-6 overall record included a 5-1 Conference standing, a second place in the conference games. Also Coach Grady said, "Even with five seniors leaving, there will be six juniors returning with a lot of experience, adding to the team next year. It should be a good team."

The 1974 J.V. girls volleyball team had a spiking good season. The beginning of the volleyball season they were well aware of their skills and lack of skills. They worked out most of their bugs throughout the season, results; they were undefeated in conference games.

"Each and every girl was an integral part of the team," said Coach Mary Maher. "Each started and deserves recognition for her teamwork, enthusiasm and skill. Miss Maher also said that next year's season will be a little different, because of loss of the sophomores. "However, we'll be starting with a solid base so next year's team looks promising.

Middle School Has 6-2 Season

The Middle School Cross Country had a good year as far as experience for the runners but, not a good year statistically. The team consisted of two 8th graders, one—7th grader, and the rest were 6th graders.

"The team lost most of its meets this year but were close in all of them. If the team came this close running 6th grade against 8th, they should be much better next year and the years to come.

"As their coach I was extremely proud of the way they represented Hanover in competition. They received quite a reputation because they are only 6th graders in 8th grade competition, but moreso than this, because they were true sportsmen," said Coach Phil Apple.

Middle School Cross Country team members include: kneeling, Farrell Noel, Mark Avey, Billy Torrence, back row: Jim Pavich, Allen Goodman, Dave Olsen, Coach Phil Apple, David Krebs, Dennis Heath and Mike Blakely.

Varsity Has Successful Season

With a fairly young team the Wildcats ran to a 15-3 record. Led by Robin Holeman, Nick Mager, and Mike Gross, the team placed high in several invitationals. Helping out tremendously, according to Coach Shuler, were Jeff Endris, Jay Hollar, and Dirk Dodge.

Hanover placed higher than ever before in the 1974 Sectional, placing 9th.

Coach Schuler is now looking forward to the '75-'76 season when four juniors will return with the rest of his young team.

Robin Holeman, junior, will return. Dirk Dodge, junior, will return. Mike Gross, junior, will return. Nick Mager, junior, will return. Jay Hollar, sophomore, will return. Greg Deno, freshman, will return. Jeff Endris, sophomore, will return. Hanovers' four returning Juniors with Coach Schuler.

Wrestling Starts in Middle School

1974-75 saw wrestling come to Hanover Central on the middle school level. The Wildcats wrestled a tough schedule in which every opponent had an established wrestling program. Coach Chopp said, "Our inexperience hurt us throughout the season. We wrestled well against Taft, beating them. We also had close matches with Kahler and South Newton. Several persons did well. Louis Goldsmith had an 8-1 record, Tony Panozzo, 3 and 0, Dale Van Curen, 5-2, and Jim Ogle, 4-3. We are looking forward to next year with eight returning wrestlers."

Varsity Wrestlers Improve This Season

"The wrestling team has completed a vastly improved season. We still, however, lack the depth to compete with many schools in dual team competition. It's difficult to win after giving up two or three matches by forfeit," said Coach Tom Schatzman.

"We will lose two seniors this year, Steve Plant and Dave Staples, but this still should leave us with a strong nucleus for next years team. We did well in tournament competition and will add a Christmas Tourney next years' season at Valparaiso. This will be an 8-way meet with some of the best teams in the region.

"This past year we qualified one wrestler to the regional, this was Dave Rumas, said Coach Schatzman, who hopes to increase this number next year.

Soley and Avey Win Honors

Hanover's basketball team this year was headed by Juniors 6'2" Chris Avey and 5'8" Andy Soley. Avey named All-Conference and All-Sectional had 350 points and 268 rebounds for the season. He carried a 15.9 season average.

Andy Soley was also All-Sectional as a junior. Andy set the school record in individual game assists and season assists. Andy's individual record came at Westville with 10 assists and the season record was 114 on the year. Andy scored 264 points and carried a 12.0 average on the season.

If anyone was to look at Hanover Central basketball roster during the 1974-75 season they certainly would be skeptical of the season's outlook. The roster included only one senior, seven juniors and four sophomores. Even with the youth and only two letterman by the bare minimum of requirements during the season before, the Wildcats managed to finish the season strong, showing fans and spectators that Hanover basketball will be something to talk about next year. The year started strong with an exciting victory over Gary Wirt and beating Wheeler for their first conference win. After journeying to Illinois and being defeated by a tall and talented Peotone, Hanover came back to break two school records at River Forest. One record on the negative side saw the Wildcats score only one point in the first quarter. The other record saw HC score 36 points in the fourth quarter to get beat by six after being down nearly twenty points.

Later against Westville, after a decisive victory, Andy Soley broke an individual assist record.

The 1974-75 season started slowly for the 8th grade Wildcats. All they needed it seemed was a little time and a few games of experience to build a team that played as a unit. "There were times that we went out on the floor with the odds against us but we played with confidence and the will to win," says Coach Jerry Uptmor.

"So long as they continue to work and improve as in the past year, they are going to make a tough Varsity team," he concluded.

Participation and experience are two big words in the 6th grade basketball program. All athletes believe that participation is the ultimate objective that can be attained, experience being an offspring of the former. The 1974-75 6th grade basketball has gained immeasurably in both aspects and although they suffered the pains of defeat on the scoreboard this past season rest assured, they are readying themselves for a much brighter and basketball future in the coming years.

Enthusiasm and Hustle Help The J.V. Girls.

Starting the season with only two experienced players usually results in a frustrating year for both players and coach. However, the Girl's J.V. Basketball team did just the opposite. With their desire, enthusiasm and hustle, they finished with a 8-1 record. Their success, however, was more than eight victories. Individual improvement in skills and attitude contributed to the overall team.

Girls Team Ends With 6-5 Record.

Hanover's Varsity Girl Basketball team proved their determination and skills throughout the season, beginning the season with four defeats. They bounced back to even five in a row, finishing the regular season 6-5 overall, and 5-1 in the conference.

"Our strongest attributes were height, which resulted in us out rebounding most every opponent, shooting averaged 53% from the floor and our quick passing skills as expressed by numerous opposing coaches.

"We are losing four seniors, Kim Dowling, Mary Joan Torrence, Kathy Kubiak and Carolyn Steuer. However, we have some super stars who will be with us for the up coming season," said Coach Maher.

This year's Middle School Track team, was one that deserves commendable recognition. The record for this season shows how well the team reacted in competition, eight wins and one loss, but moreso than this the boys' standard of competing. Each member of the team gave their 100% and then some more.

Even though the team is losing, many members are graduating, the future is promising because of the caliber of talent moving up from the 6th and 7th grades.

Hanover in the 4-2 record in the PCC. The 5-6 overall record is an accomplishment in itself.

This year marks another first. HC had two girls qualify for the state track meet. Kim Dowling, the only senior on the team placed 3rd in the sectional and 2nd in regionals in the 80 yd low hurdles. Laverna Torrence defended her sectional championship in the shot put and placed 4th in the regionals.

The third accomplishment of the team this year was amazing—in all meets a total of 23 school records were broken. This is probably the best indication of the energy, enthusiasm and dedication of the girls track team.

The girls m.s. track team had only three meets this year due to the rainy weather. However, this still gave the girls time to set nine out of 10 new MS track records. The softball throw is the only remaining record still held by Lisa Hudak. The 80 yd. hurdles record is now held by Kathy Xanders at 15.9. Joy Schreiber has two new records: 100 yd dash and the long jump. Bev Hoeckelberg also holds two records: the high jump and 220. We have two stars this year in the distant runs; Janet Fisher and Karen Urbansky and they both also set new records.

Each meet ended up without two super relays, again setting new school records. The 440 relay consisted of: Patsy Neitzel, Vicki Harris, Mindy Van Gorp, and Joy Schreiber. The 880 relay consisted of: Janet Fisher, Karen Urbansky, Bev Hoeckelberg and Julie Bixenman.

Next year two more events will be added to the girls MS track events and they are shot put and the 75 yd dash.

The Girls Varsity Track team had a very highly successful season this spring. Eighteen energetic girls aided

In the Lake Central Invitational Andy Soley tied for 2nd.

The top two golfers are Andy Soley and Rich Trivett. Andy Soley, medalist in all 21 matches, this year, is 20 wins, 0 losses and 1 tie, with a match average of 37.5. Rich Trivett has 12 wins, 6 losses and 2 ties with an average of 43.3.

Baseball Ends Year 9-6 Despite Rain

Inconsistent playing at the start of the spring baseball season was blamed on rainy weather by Coach Joe Sparacino.

"Out of seven games scheduled in April, we were able to play only four," he said. We also did not get outside to practice as we should have. Once we were able to play, we started to get it all together. We won five out of six games played in May and ended with a nine win, six loss record, going into sectional competition where we won the first game."

Voted most valuable player on the squad was Mike Stecyk. Catcher Joe Yothment was batting champ while Pitcher Ray Kerstell had the best earned run average.

J.V. Spring Baseball has Great Potential

Coach Ron Roller has been the J.V. Baseball coach for the third season. Coach Roller claims, "When the J.V. team this year becomes varsity next year, they have the potential of going undefeated." They are aggressive and they hit the ball well. They have some good pitchers with control and speed.

"If they continue to work hard I know they will be champions in the future years," says Coach Roller.

Varsity Cheerleaders

This summer the girls attended the Smith Walshbridge Camp, under the supervision of the National Cheerleading Association. The camp provided workshops in tumbling, cheering and pep rallies in which the girls exchanged cheers with other squads.

Each night the girls competed for ribbons based on ability, attitude and cooperation of the individual squads. The Varsity won four excellents and one superior. The J.V. squad received four excellents and one outstanding.

Middle Schoolers Begin Cheering Career

This year the girls did sponsor "Spirit Week." There were different days of events. Slave day was one of them, the junior high cheerleaders and Student Council were auctioned off. The halls were decorated and prizes were won. This was the first year for the 6th & 7th grade cheerleaders to cheer on the Wildcats, and they did a very good job.

Eighth grade cheerleaders did many acrobatics including Eagle Splits. They are left to right: Tomr Erickson balanced on Chris Miller, Sherri Seargent doing an eagle split, and Linda Verhulst balancing on Shari Foreman.

130 Receive Diplomas in June Ceremony

The senior year, what memories they will hold for the 130 graduates of Hanover Central class of 1975!

The year started quietly enough, new teachers included Mr. McCellan in Econ and Government; new courses, such as Mr. Brindley's Marriage and Family Living.

Homecoming saw the class members building a float at Candy Bowman's barn. The float somehow survived Rich Brewer and Sarge Canarini's demonstration of "how not to drive."

By May the seniors were beginning to realize that the END WAS COMING. This was confirmed when senior announcements and caps and gowns arrived. Soon small groups met to argue the relative merits of having open house on graduation day, or some other Sunday so that more students could attend.

The Prom held at the Scherwood Club, May 16 gave the seniors an opportunity to watch the juniors hard at work.

The senior trip got underway Tuesday, May 27, and gave the students the opportunity to visit St. Louis, including the Gateway Arch.

They returned in time to take part in the graduation practice, Friday, May 30. And then Sunday, June 1, it was all over. WE SURVIVED.

Top right: (L-R) Tina Foreman, Jim Harrell, Rich Brewer and Julie Wilkening are the senior officers.

JUNIORS '76'S

'76 Spirit Wins First in Halls, Float

Sponsoring the Junior Class for the 1974-75 school year were Mrs. Sue Roller and Mrs. Phyllis Petcoff. Officers and candy committee were selected at the first meeting. Candy of five varieties was sold in late October and early November. A profit of over \$1100 was cleared.

The movie committed in December selected "Fail Safe," shown December 20, as the Christmas movie.

Homecoming Week turned out profitable for the Juniors. They earned first place in float display, a prize of \$25, and another \$25 for first in hall decorations.

Most important to the Juniors was the 74-75 Prom. Plans were made at class meetings. The class voted on the band, theme, and date. Chosen were "Mandrake," as the band, "Just You and Me," as the theme and May 16, as the date. It was held at Scherwood Club.

Sophomores Choose New Class Ring Style

Sophomore Class Officers: Left to Right, Mary Ann Malowski, president; Sandy Yardley, vice president, Connie Engle, social director; Gail O'Dea, treasurer; and Leslie Mellul, secretary.

Electing officers started the year for the Sophomore Class, followed by bake sales during the middle and high school lunch hours.

Building a float for Homecoming parade also occupied their time.

Most important to the Class of 77 was ordering the rings, which they received in December.

This year they had a new style, designed especially for Hanover, with the school crest on one side and a Wildcat, similar to the one on the gym wall, on the other.

The class said farewell to Sponsor Mrs. Jay McMillen at an after school party in November in the Art Room.

New sponsors for the class were Miss Pam Hill and Mr. Joe Sparacino who took over in mid-stream.

FRESHMAN '78

John Ward Elected Class of '78 President

Freshmen began the new school year with two new sponsors, Mrs. Betsy Doffin and Mr. John Brindley. Early in October officers were elected to handle and plan events. The candidates campaigned and voting was done on secret ballots.

First task for new officers was to select three color choices for their sweaters. Students voted in blue and gold.

During Homecoming Week, Freshmen worked hard to place second in float display and tied with Senior class for third place in hall decorations.

Second semester activities included organization of a ring committee for the sophomore year. During activity period the committee chose ring styles and the company from which to buy them. Committee members are: Darlene Ard, Jenny Casten, Darcy Dodge, Karen Fisher, Laurie Hartwick, Ricky Jacobsen, Penny Parman and Dave Rumas.

Freshman Class officers are: left to right, Sherry Neitzel, treasurer; John Ward, president; Sandy Moelzman, vice president; Doris Albertson, secretary.

Annual Class Rummage Sale Held April 12

7th grade class officers: Standing, left to right—Cheri Landry, Secretary; Renae Partain, social director; Janet Fisher, treasurer; (seated) Betsy Slivka, vice president; Greg Miller, president.

The class of 1980 was busy this year with several money-making projects. Directing the seventh grade class was Mrs. Darlene Geck, English teacher for the middle school.

During February and mid-March, the students had the opportunity to purchase sweaters with their year, in blue and white.

Spirit Week, February 25 through March 3, showed Seventh graders' spirit high. Class of '80 won three of the four days, 50's Day with 75 percent, Clash Day with 96 percent, and Opposite Day with 59 percent. In hall Decorations, they placed third. Decorations were put up after school on Monday.

The annual rummage sale was held April 12. This was really important because it is the prime money-making project for the class.

Class members worked hard collecting rummage items. They also set up work teams for that day to aid in the sale.

Sixth Grader's First Year at HC Successful

6th grade class officers: Left to right, Jeff Grant, secretary-treasurer; Mary Anderson, vice president; Denise Flora, president.

For the first time, sixth graders were a part of Hanover Central, making it a middle school made up of sixth, seventh and eighth graders, instead of a junior high school as in the previous years.

Highlight of the year was the annual camping outing at Tippecanoe State Park in May. Members of Mr. Whitestone's Leadership class aided in supervision for the four days.

Helping raise funds for the trip was the chili supper, held January 31 in the school cafeteria. It was well-attended.

The class attended "The Nutcracker" at the Ramada Inn in Dolton December 20 as a pre-Christmas treat.

During middle school spirit week, the class placed first in hall display and third overall.

Sponsors were Mr. Steve Highsmith and Mrs. Betty Larsen.

Senior Honor Society

On January 29, 1975 the induction ceremony brought new members into the Senior and Junior Honor Society which brought membership to 104: 43 in senior and 61 in junior Honor Society. During the ceremony, the new members received their membership cards. The Honor Societies sponsored the senior-faculty game which was held fifth hour March 13, in front of the student body.

Mrs. Sandra Kiechle took over the Honor Societies in November when the former sponsor, Mrs. Jay McMillen, left.

Each year the Student Council mans a refreshment booth at the Cedar Lake Chamber of Commerce Fourth of July Festival. Money raised is contributed to clubs and helps finance the council program.

The Council tried to have one dance per month. In September, the council sponsored the Year-book Dance; in October, a Halloween Dance was held. November, because of holidays and Spirit Week, the dance was skipped, but the council sponsored Homecoming in December, including the dance, and sock hops in January, February, March, April, and May.

The council sent representatives to the state student council conventions and sent officers to the Student Leader conference at Indiana University. One difference last year was the helping the Lowell Jaycees and Cedar Lake Boys Club with the donkey basketball game in March, where they manned the concession stand and also aided in the election of Mr. or Miss Donkey Basketball Game.

The Middle School Student Council is a service organization whose aim is to provide a channel of communication between the students and administration and to promote school pride and school spirit, said sponsor Mrs. Phyllis Petcoff. The members worked on a very successful Spirit Week from Feb. 25 to March 3, with Mrs. Kiechle and the cheerleaders.

Carolling, Concerts Highlight Choir Year

H.S. Choir

The High School Choir held their annual Christmas concert along with a spring concert, and also a fall concert. The choir sang special songs for each occasion. According to sponsor Mr. Don Roher, the High School Choir went Christmas carolling during the Christmas season.

The senior and junior members went to a performance of Handel's "Messiah" at Olivet College during December. Another trip was planned to the same college during the month of May.

The Middle School Choir sang along with the High School during the spring concert. The Middle School Choir started a good season, according to Mr. Roher.

Girls Added to Varsity Club This Year

Varsity Club

The Varsity Club had the same activities as before, the only difference is that the girls are in the group with the boys so that they may earn their varsity letter. Sponsors Miss Carol Grady and Mr. Tom Schatzman hope to make it a service club which benefits athletes. Money from the orange-grapefruit sales was used for the club. The extra money was used to take the group on a trip to a professional sports game.

H.S. Pep

This year the High School Pep Club added enthusiasm to all of the games. The members of the Pep Club sat together at all of the games. At the Porter County conference, the cheerleaders and the members dressed up in 50's outfits to go along with their theme "Shake Them Up". During the sectionals, members formed a cheer-block and wore school colors. Sponsor, Mrs. Sue Roller said, "Activities have been restricted because no regular meeting time was allowed."

50's Costume Enhances Pep Club Efforts

Pom Pon

Hanover's 1974-1975 Corps had a good year. Miss Mary Maher was named Pom Pon sponsor in the fall. There were some changes regarding their uniforms, style, and attitude. The uniforms which the girls had made for them were a jumper style in a maroon color, with a light blue panel down the front. With this new uniform, the girls wore white marching boots with light blue tassels. With this style they could wear their white body suits. Each girl had put in many hours of diligent work in order to perfect the corps. This year's captain was junior Denise Doty.

The girls now have two sets of uniforms and several new routines which were performed during each halftime of the varsity basketball games. The Pom Pon Corps looked forward to competition last spring in the Zionville Invitational with the band. There have been some changes and improvements according to sponsor Miss Mary Maher.

Middle School Pep

The Middle School Pep Club had a membership of 72 sixth, seventh, and eighth graders. At the meetings, the cheerleaders taught the club members the words to the cheers. Much enthusiasm was displayed at both games and pep sessions, according to sponsor Mrs. Darlene Geck

G.A.A. Members Have Busy, Active Year

High School GAA

The Girls Athletic Association membership dropped this year. The membership total was between 35 and 40. According to sponsor, Miss Carol Grady, the High School GAA has become strictly an intramural type organization, and the competition for the girls falls under the Athletic Department.

When the girls came to the practices, they would mostly work in the area of gymnastics. During the spring the girls worked on tennis, archery, and other outside activities.

Middle School GAA

Middle School Girls Athletic Association is led by Lori Sack, president; Loni Lea, 8th grade point chairman; Patsy Neitzel, 7th grade point chairman; and Denise Flora, 6th grade point chairman.

Early in the year the girls planned a successful car wash and bake sale. Other activities consisted of soccer, volleyball, basketball, badminton and table tennis tournaments, numerous gymnastic workshops and a middle school track team.

Over 80 girls were involved in the GAA this year. Because of the fine student leadership the program should continue to grow, sponsor Miss Mary Maher said.

Practice for middle school track began immediately after spring vacation. Due to weather conditions, the program was cut a bit short.

"All were anxious to learn and worked and many showed good potential," Miss Maher said.

Newspaper

Bob Jonason was editor of the REVONAH again this year. Among topics discussed in the newspaper were student rights, closing of the vending machines, hot lunch program, student spirit, and the North Central evaluation.

Several members of the staff, Sue Hillger, Robin Drake, and Kim Hickson, collaborated on a literary magazine, ZOT, which they sold to students.

This was Mrs. Helen Snedden's first year back as newspaper advisor and also the first year that the printing department, headed by Mr. Phillip Apple, printed the newspaper. The first several issues were difficult as the staff and printers worked out problems caused by inadequate pictures.

Yearbook

Yearbook students faced the task of assembling pictures, copy, cutlines, and headlines for the 160-page book. Serving as editor was Deb Van Gorp with Jayne Mantel, underclass editor; Shelly Eastling, senior editor; and Nick Mager sports editor. Gary Charette and Rich Trivett handled ad sales for the big book.

The students attended the Northern Indiana Journalism Seminar in April and several were sent to workshops during the summer months.

Cries of "who's got the cropper, the copy pencil, the dummy" usually filled the air during the first hour yearbook class.

Farewell from the Yearbook Editors, Staff

The halls are empty now,
Students have gone home.
Calm and quiet prevail,
Following the roar.
Seniors gone for good,
Future visits too brief;
Ghosts of their activities
Live on in "Remember Whens?"
Change has all too soon
Claimed its most recent victims.
Challenging,
happening
anxieties
necessities
gatherings
economics
All have wrought their will.
But—wait 'till next year.

The parking lot has emptied, students have all left, but next year it will once again fill up with students experiencing change.
